- Second Place – Science National Honor Society Competition

PROFESSIONAL & VOLUNTEER EXPERIENCE

Fidelity Hackathon, Participant – Durham, NC May. 2026 – May. 2026

- Developed *Bloom*, a gamified financial literacy app helping first-year college women build budgeting, investing, and money management skills through microlearning.
- Designed UI in Figma and collaborated using React, Python, and GitHub to build features like goal tracking, virtual investment portfolios, and personalized financial tools.
- Created themed “garden toolbox” features that connected financial wellness concepts to everyday habits, including subscription management recommendations, investing education, and savings growth simulations.

Duke AI Hackathon, Participant – Durham, NC Nov. 2025 – Nov. 2025

- Created *TrialVision*, a website that helps medical professionals quickly evaluate the feasibility, ethics, and potential outcomes of clinical trial ideas
- Designed a multi-page, user-friendly interface using Figma.
- Developed a tiered subscription model to connect researchers with hospitals, trial centers, and expert consultations.

Global Academy of Excellence, Intern – Remote Aug. 2022 – Jun. 2023

- Created educational materials used by 100K+ rural students across 220+ model schools in 6 districts, supporting 21st-century skills development.
- Collaborated with academic mentors to align curriculum with modern standards and improve content distribution efficiency at scale

Aloha Mind Math, Volunteer Tutor – Morrisville, NC Jan. 2023 – Dec. 2023

- Tutored 35+ students in English and Math through biweekly sessions, supporting academic improvement and skill development.
- Contributed 150+ volunteer hours and developed interactive lesson strategies that increased student engagement and participation.

North Carolina Asian Americans Together (NCAAT), Volunteer – Cary, NC Aug. 2024 – May. 2025

- Led voter registration drives for 60+ people, promoting civic engagement among Asian American youth.
- Partnered with local organizations to expand participation in community decision-making.

Searstone Retirement Community, Server – Cary, NC Jan. 2025 – Nov. 2025

- Delivered daily meal service with professionalism and care to **100+ residents**, ensuring a positive dining experience.
- Supported dietary needs and special requests, strengthening adaptability and attention to detail.
- Collaborated with a team of servers and kitchen staff to maintain efficient operations in a fast-paced environment.

LEADERSHIP EXPERIENCE

Sunrise Movement, Head of Actions – Cary, NC Aug. 2024 – May. 2025

- Organized 3+ climate campaigns, boosting membership by 20% and sparking a key policy discussion on climate resilience.
- Coordinated volunteers, designed campaign strategies, and managed community partnerships.
- Elevated youth visibility in climate advocacy by organizing panels, protests, and awareness events.
- Delivered speeches before the Board of Education, advocating for stronger climate resilience policies and youth representation.
